Right to Life of Northeast Indiana Political Action Committee (RLNI-PAC) is the political action arm of Right to Life of Northeast Indiana. The mission of the RLIN-PAC is to protect and promote innocent human life from fertilization to natural death. In the course of performing this mission, the RLNI-PAC actively engages in the political process, monitoring and advocating legislation that supports the mission of the PAC through appropriate legislative action. The PAC also promotes the election of pro-life legislators and public officials. In addition, the RLNI-PAC, through research and analysis of related life issues, seeks to educate voters, legislators, and public officials alike to make informed judgments on life issues so they too can stand to defend life.
