Using Natural Revelation to Defend the Value of Life

Mrs. Abigail Lorenzen

Secular culture has a low regard for the value of human life. We see this played out constantly - from people being inconsiderate to abortion and euthanasia. How do you defend the value of innocent human life without using the Bible? By using God's natural revelation - science and the logic He gave each of us.

- This presentation was so good! I love how she taught us how to respond to different things people say about abortion. This was the best one, she explained the different levels of a baby. It was just a very good presentation over all.
- It was very informational while she still made it easy to understand.
- [She] did a fantastic job explaining the natural revelation to defend the value of life. My attention was glued to every word, I took notes the whole time. She does a great job at teaching facts that are outside of biblical stances, because we need to ...
- Presentation was amazing!! She made it very easy to follow, made it funny but serious at the same time. And definitely cleared a lot of things up for me!
- EXCELLENT presentation using strong arguments & emphasizing compassion. Lots to think about the value of life. So important for us all to consider.
- I think this class was very eye opening and the teacher was amazing. It was nice to see the size and weight of the different ages of babies. Really enjoyed it
- This was the best section I have heard. It was very eye opening. Could listen to this a million times.
- Incredible! Lorenzen answered all of my questions and her explanations were clear
- The presentation was both interesting and interactive. She offered interesting and varied ways to lovingly combat common arguments against human life.
- It was really good but it didn't talk about God that much. It was very well done though
- Fantastic presentation! Very factual.
- Did a wonderful job at explaining the prolife view point and I appreciated hearing from a Christian view point.
- Very informative class. I have learned how to communicate with those about abortion
- Fantastic job showing us how to debate politely and lovingly for those who may not agree and/or need help.
- Very good way of presenting pro-life view points to a non-believer wish we had time for more questions!
- I had a lot of questions going into this breakaway from friends and just people who know I'm pro-life and ask me questions that I don't know how to answer. This breakaway did so much more than answer those questions. It helped to show me how much of val...

- Amazing sectional. Conveyed the message very well, without hesitation. Loved her passion and knowledge of the topic. Would definitely attend this again.
- The class was wonderful. I learned so much about how to converse with Pro-Abortion individuals and how to show them the immoral nature of abortion. Fantastic session. Student
- I found this session very interesting and I learned a lot of new and very interesting facts and statistics and techniques as to how to talk to someone considering an abortion
- Her lecture was absolutely amazing. I am still in awe with everything that is happening in this world.
- As a person who was a little indifferent over the issue of abortion, Abigail's reasons have convinced me on what my stance should be. I also like how
- Fantastic. I got what I was looking for, I appreciate the points I can use to talk to other people. Great presentation, engaging, really good.
- I greatly benefited from this lecture with the information that was presented and my outlook on this subject was immensely improved
- Wonderful. Great tools to have when discussing the subject. Was hoping to hear her talk on euthanasia/assisted suicide, but I think we ran out of time? Adult
- A great session. I learned a lot
- Very informative; helpful info for dealing with pro-abortion arguments. Loved the time for q & a to hear what concerns are on the young people's minds. Would have liked to hear about euthanasia- life matters arguments too. Adult
- Abigail had to have been one of the greatest speakers I've gone in to listen to. She spoke with so much passion for what she was teaching us, and I wish
- First off, this is a long time friend and my old pastor's daughter. She takes control of a room and can bring attention to her and to her topic. She was able to quiet a room or get a laugh. She delivered her topic very well.
- Mrs. Lorenzen gave strong strategies to defend the unborn. I wanted to hear more info to support when life begins beyond looking @ SCI textbooks. (adult)
- The class on abortion was very interesting. It gave me new ways to have a discussion with a pro-choice viewpoint.
- Mrs. Lorenzen's session on life was very edifying and filled with wonderful truths and apologetic strategies that will most certainly prove useful. My one concern for the session arose when the situation of a pregnant mother who has an extreme case of
- Abigail was a phenomenal presenter and full of energy. She kept everyone engaged in the topic and very active listeners. She spoke with complete confidence and conviction on why you choose life every time.
- Loved it. Very informative, lots of new information.
- The abortion class was very interesting.
- A very well done session. The arguments were very good. A must see for the fight against abortion.
- I enjoyed this class as it gave out very useful advice that I can use with my friends who disagree with me.

- It was wonderful. She gave a lot of helpful tips to try to stop someone from abortion without resorting to the bible, so even nonchristians can listen and not force the Christianity on someone. Youth
- The presentation was fantastic. It was super interesting, very well explained, and informative.
- Best sectional I've been to yet! She was thorough and provided advice about discussing abortions in many different circumstances.
- Great public speaker with compassion for her beliefs. I really enjoyed this sectional and left with a lot of useful information!
- Wonderful information to store for this sensitive topic in an "anything goes" world to defend life! Thank you for your boldness-very inspiring! Adult
-
- Miss Abigail did a great job giving us tools on how to stand up for what we believe in and how compassion is key
- As a college student I am now facing people with new stances that I have never met before. The newness makes me ask my own Qs on morality and the class
- She is a great speaker and her passion for this subject shows. She gave facts and useful information. When people asked questions she gave legitimate answers that were helpful and relevant.
- I really liked this session! (Leo)
- I really enjoyed this session! I liked the teacher too, she was very good and fun (Leo)
- Answered a lot of my questions and told me a lot of information I didn't know. Thank you!
- Great talk! Well structured, and conveying useful information resources in a structured and remember-able format.
- I loved your class! It was my favorite of the week! I learned a ton! Thanks for teaching!
