Life Defenders Workshop 2021

Meet Mike Spencer

Mike Spencer grew up in Detroit and considered himself “pro-choice” until shortly after coming to faith in Christ in 1984.

Mike served as a pastor for 23 years and then on the speaking staff for Life Training Institute for 8 years. He now serves as the founder and president of Project LifeVoice, a gospel-driven human rights organization that equips and inspires pro-life ambassadors to speak compellingly and to act sacrificially on behalf of the most vulnerable, most abandoned and most oppressed among us; our pre-born neighbors targeted by elective abortion.

Mike has a burden to awaken the church to the plight of mothers facing unplanned pregnancies and to the little ones they carry. He travels extensively throughout the United States, addressing thousands of students and adults each year. Mike is a gifted and much sought-after communicator who brings a pastor’s heart to the often emotional and divisive issue of abortion in a way that is both gracious and compelling.

The Case for Life 101

Appropriate for teenagers and adults, this course will equip you to simplify the abortion debate with focus on one question: “What are the preborn?” You’ll learn to defend humans at their earliest stage of life. Appealing to philosophy and the science of human embryology. If you don’t know “SLED” and “Trot out the Toddler,” this course is built for you.

Wabash Valley Right to Life

We seek to protect the right to life, especially of unborn children through positive education, compassionate advocacy and promotion of healthy alternatives to abortion in the Wabash Valley.
