## OF NORTHEAST INDIANA

### ABIGAIL'S CARRY-ON

Here's what I pack and why. Items with \* you'll likely want on Friday as well. This year's list looks quite different considering we're driving during the day and staying in a hotel for our 2 nights.

When we board the bus, I wear:

- Comfortable pants
- Long Sleeve Shirt
- Coat
- Boots & normal socks

I have in my carry-on:

- Sweatshirt – Either this year's new one or another one that will eventually layer under it. The bus may or may not be the temperature you want.
- Extra Pair of Socks – personal climate control.
- Small Blanket
- My Prescription Meds\* – make sure you have these listed on your registration form! If you'd rather have your group chaperone hold on to them, that's fine too.
- Toothbrush and Paste for after lunch. Keeps me feeling a little more fresh.
- Scarf, Gloves & Hat\*
- Money\*
- Fully charged phone & charging cord\* – you may or may not have an outlet near your bus seat!
- Fully charged auxiliary battery for phone\* – totally optional depending on how much you want to be on your phone Friday.
- Ear Plugs
- Headphones
- Snacks & Water\*
- Book – or other things to do on the bus.
