I, Kyle Kerley, firmly believe that Life is the first declared right in the Declaration of Independence which our Founders affirmed, "We hold these truths to be self-evident, that all men (and women) are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are LIFE, Liberty and the pursuit of Happiness." I believe that Life is a gift from God, begins at conception and should continue, uninterrupted, until natural death.

It is my duty, as an elected official, to protect this RIGHT for all persons, born and unborn not only in words, but in actions by supporting organizations that assist pregnant women by helping them find health care; helping mothers who make the decision to parent their child by connecting them to community resources; supporting mothers and fathers who make the decision to place their baby for adoption and couples who seek to adopt; and assisting and encouraging pregnant students and pregnant women in the workplace by supporting accommodations in schools and workplaces, and encouraging businesses to provide maternity leave and childcare assistance.

Further, I plan to further solidify Allen County as LIFE county by introducing a resolution on March 19 2020 that the Allen County Council affirms LIFE and will continue to support Human LIFE from Conception until Natural Death.
