

Right to Life of Edgar County

is excited to host its second **pro-life apologetics workshop** for the public on Saturday, October 2nd.

This morning workshop equips you to speak confidently and graciously to the most pressing moral issue of our time: **elective abortion.**

This event will comply with current state and local CDC guidelines for COVID-19 safety.

Sign up!

Life Defenders Workshop 2021

Meet Pat Schwenk

Patrick has served in pastoral ministry for nearly 20 years. He is the founder of the popular blog FortheFamily.org and the podcast Rootlike Faith. Together

with his wife, Patrick has authored three books and has appeared on numerous radio programs including Focus on the Family and Moody Radio. As a pastor and member of Project LifeVoice's speaking team, his mission is to awaken and equip the Body of Christ to become effective ambassadors for the unborn.

The Case for Life 101

Many people reject or are indifferent to the pro-life view simply because they've never heard it presented in a compelling manner. You will be equipped to communicate the pro-life message intelligently and graciously without the need of vitriol and angry dialogue. By focusing on two crucial questions, What are the preborn? and What makes humans valuable?, you'll learn to simplify the abortion debate and to refute logical fallacies of pro-choice rhetoric in a compelling manner.

Meet Mike Spencer

Mike Spencer is president of Project LifeVoice. Mike considered himself "pro-choice" until shortly after coming to faith in Christ in 1983 when he viewed the pro-life film,

"The Silent Scream." Upon being confronted with the reality of abortion, Mike became deeply convicted and prayed for God's forgiveness, offering himself as a voice for the unborn. Mike travels extensively throughout the United States equipping pro-lifers on high school and university campuses, in churches and serving as the keynote at pro-life banquets and conferences. Mike is a gifted and much sought-after communicator who has a passion to equip others to speak to the often emotional and divisive issue of abortion in way that is gracious and kind.

The Case for Life 201

Building on the foundation laid in The Case for Life 101, The Case for Life 201 takes pro-life ambassadors to the next level by addressing important life-related topics such as euthanasia, embryonic stem cell research, moral relativism, and the difference between positive/legal rights and natural rights.

Right to Life of Edgar County

Our mission is to engender a respect for all life—a God-given gift—by educating our community, working for laws that protect human life, and aiding other organizations that labor to give dignity to life.
