

WE PROUDLY ENDORSE

The Right to Life of Northeast Indiana Political Action Committee endorsements are based, in part, on a survey which each candidate was asked to complete. Candidates who did not respond to the survey were not considered. As part of our regional expansion, the RLNI PAC surveys and endorses candidates throughout the Northeast Indiana region.

The Right to Life of Northeast Indiana PAC encourages voters to learn more about the candidates and participate in the upcoming general election.

Right to Life of Northeast Indiana Political Action Committee (RLNI-PAC) is the political action arm of Right to Life of Northeast Indiana. The mission of the RLNI-PAC is to protect and promote innocent human life from fertilization to natural death. In the course of performing this mission, the RLNI-PAC actively engages in the political process, monitoring and advocating legislation that supports the mission of the PAC through appropriate legislative action. The PAC also promotes the election of pro-life legislators and public officials. In addition, the RLNI-PAC, through research and analysis of related life issues, seeks to educate voters, legislators, and public officials alike to make informed judgments on life issues so they too can stand to defend life.
