- 2. Do you oppose abortions being performed on pain-capable unborn children (20 weeks post fertilization)?
- 3. Do you oppose partial birth abortion, the procedure that kills a living child during delivery?
- 4. Do you believe that abortion providers should be required to dispose of aborted children in a humane manner, instead of treating remains as mere "medical waste?"

- 6. Do you oppose physician assisted suicide and euthanasia?
- 7. Do you oppose all efforts to clone human embryos?

- 9. Are you opposed to using taxpayer funding to pay for elective abortions or to subsidize abortion providers or referral agencies, such as Planned Parenthood?
- 10. Do you believe that human physical life begins when a human ovum is fertilized by a human sperm?
- 11. Do you support your political party's national platform on abortion?
- 12. Will you vote only for party and caucus leadership that is committed to protecting innocent life from conception to natural death?

- 13. Do you oppose any law that would require medical insurance carriers to provide abortion coverage in their standard plans?
- 14. Do you believe that abortion providers should be required to provide to the State, in writing, proof that they have local hospital admitting privileges or have entered into a written agreement with another physician with local hospital admitting privileges?
- 15. Do you believe that all abortion facilities should be required to comply with all building regulations regarding health, safety, and access?
- 16. Do you support laws that promote adoption?
- 17. Do you oppose legislation that would eliminate current state laws that regulate abortion?
- 18. Under what circumstances do you believe abortion should be legal? Treatment for a mother's life threatening illness that unintentionally results in the death of the baby is not considered an abortion for the purposes of this survey. (Mark all that apply.)
  - A. Abortion should never be legal.
  - B. Rape and/or incest.
  - C. If the child is determined to have a mental or physical disability or for sex selection.
  - D. Abortion should be legal in all cases.
- 19. Will you commit to support legislation and existing laws that reflect your positions indicated in questions 1-18, above?
