8. To help us better understand your pro-life position could you please tell us why you consider yourself to be pro-life, if you have pro-life qualifications that would be helpful for us to know and how you plan to use your elected position to support life.

As a Christ-follower I believe in the Word of God and its direction for a victory filled life. God makes clear we are all created in His image (Genesis 1:27) as such all human life is valuable & should be cherished. Psalm 139 (v13-16) makes clear that this life is before birth and that this unborn baby has as much worth as after ^{BIRTH} ~~birth~~.

My ^{beliefs} ~~beliefs~~ do not end when I walk out of church, but are a part of who I am. I must model Christ in all circumstances, whether that is at ~~work~~ work, in the community or at the school house. I will never take a stand ~~that~~ in the public area that would be sin and harm my Christian witness.
